Flat Plate

Brazed plate heat exchangers for steam to liquid and liquid to liquid applications.

Flex-Hose *

Flexible connectors, expansion compensators, Tri-Flex™ loops, pipe guides and hoses.

Flo-Pak – Div. of Patterson Pump Company

Packaged pressure booster systems, skid mounted pumping systems, HVAC packaged systems.

HCI

Manual and Automatic Balancing Valves, Venturis, "Terminator™" coil piping system

John Wood Company

ASME & Non-ASME compression and expansion tanks, receivers, water storage tanks, flash tanks, air separators, glycol feed systems.

KAM Thermal Equipment

Custom Shell & Tube Heat Exchangers, replacement tube bundles

Lakeside Water Treatment

Water softeners, water filters, deionizers, reverse osmosis units, packaged water treatment systems.

DISTRIBUTORS FOR:

Apollo Valve *

Backflow preventers, relief valves, pressure reducing valves, inline check valves, pipeline strainers, tempering valves, gauge glasses, Butterfly Valves.

Chemway *

HVAC Chemical treatment systems, chemicals and equipment.

Dunkirk Boiler

Cast iron sectional hot water and steam boilers thru 3,000 MBH

General Electric

Motor starters and control centers, VFD's.

Highland Tank

Above and below ground storage tanks, oil separators, grease interceptors.

Hot Box

Heated, insulated enclosures for backflow preventers, pumps, valves.

Lochinvar Corporation*

High Efficiency Boilers, Water Heaters, Swimming Pool Heaters, Water Storage Tanks.

MEPCO Pump Packages

Condensate pumping systems, boiler feed systems.

Patterson Pump Company

Horizontal split case, end suction and vertical inline HVAC pumps and trim.

Perma-Pipe/Ricwil

Pre-insulated piping systems, above and underground, leak detection, double wall containment piping.

SBS Corporation

Bag filtration & Centrifugal separator systems for cooling towers
